

Hi.  
I'm Satan.

Get  
ready with  
me to do a  
✦ CUNTY ✦  
✦ LOOK ✦

First of all

I like  
to moisturize  
my fur with  
dark spirits that  
passed away  
horrendously

Then I  
paint my nails  
with marinated  
tar...

Of course  
I can't forget  
about shiny  
jewelries

And to  
stay Satanic,  
there is a very  
important last  
touch...

Here is  
the Final  
LOOK!

BE  
GAY

DO  
PRIMES
