

TSAN DI

灿姊

I'm about to die.

I've had three long years of this...

Agony

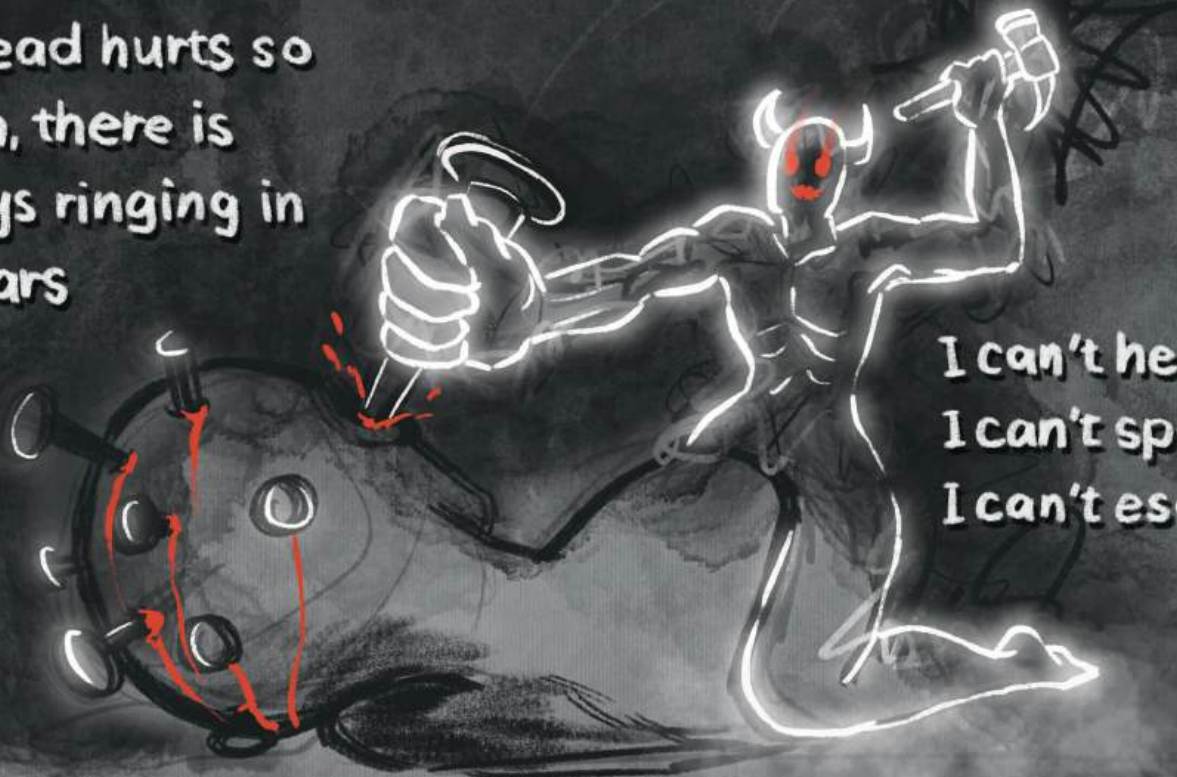

I don't think
I can hold on
anymore

My body doesn't
feel like it belongs
to me

I've lost all of
my hair, my
freedom, the
control to my
bowel, bladder
and...

ALL OF MY
DIGNITY

My head hurts so
much, there is
always ringing in
my ears

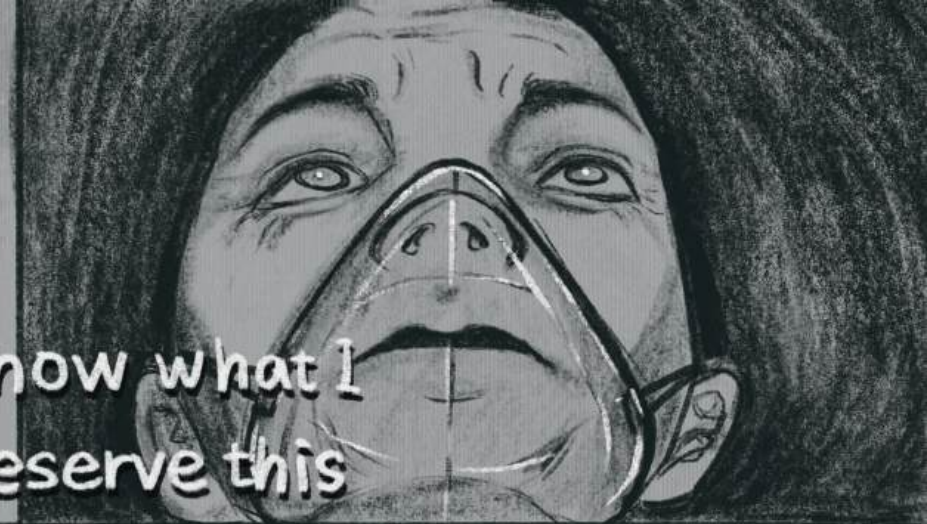

I can't hear
I can't speak
I can't escape this

I'm forced to be so
focused on my pain

that I'm incapable
of noticing what's
going on around me

I don't know what I
did to deserve this

I once looked
forward to the
future

I once had a
healthy and
beautiful body

I once felt
content
and fulfilled

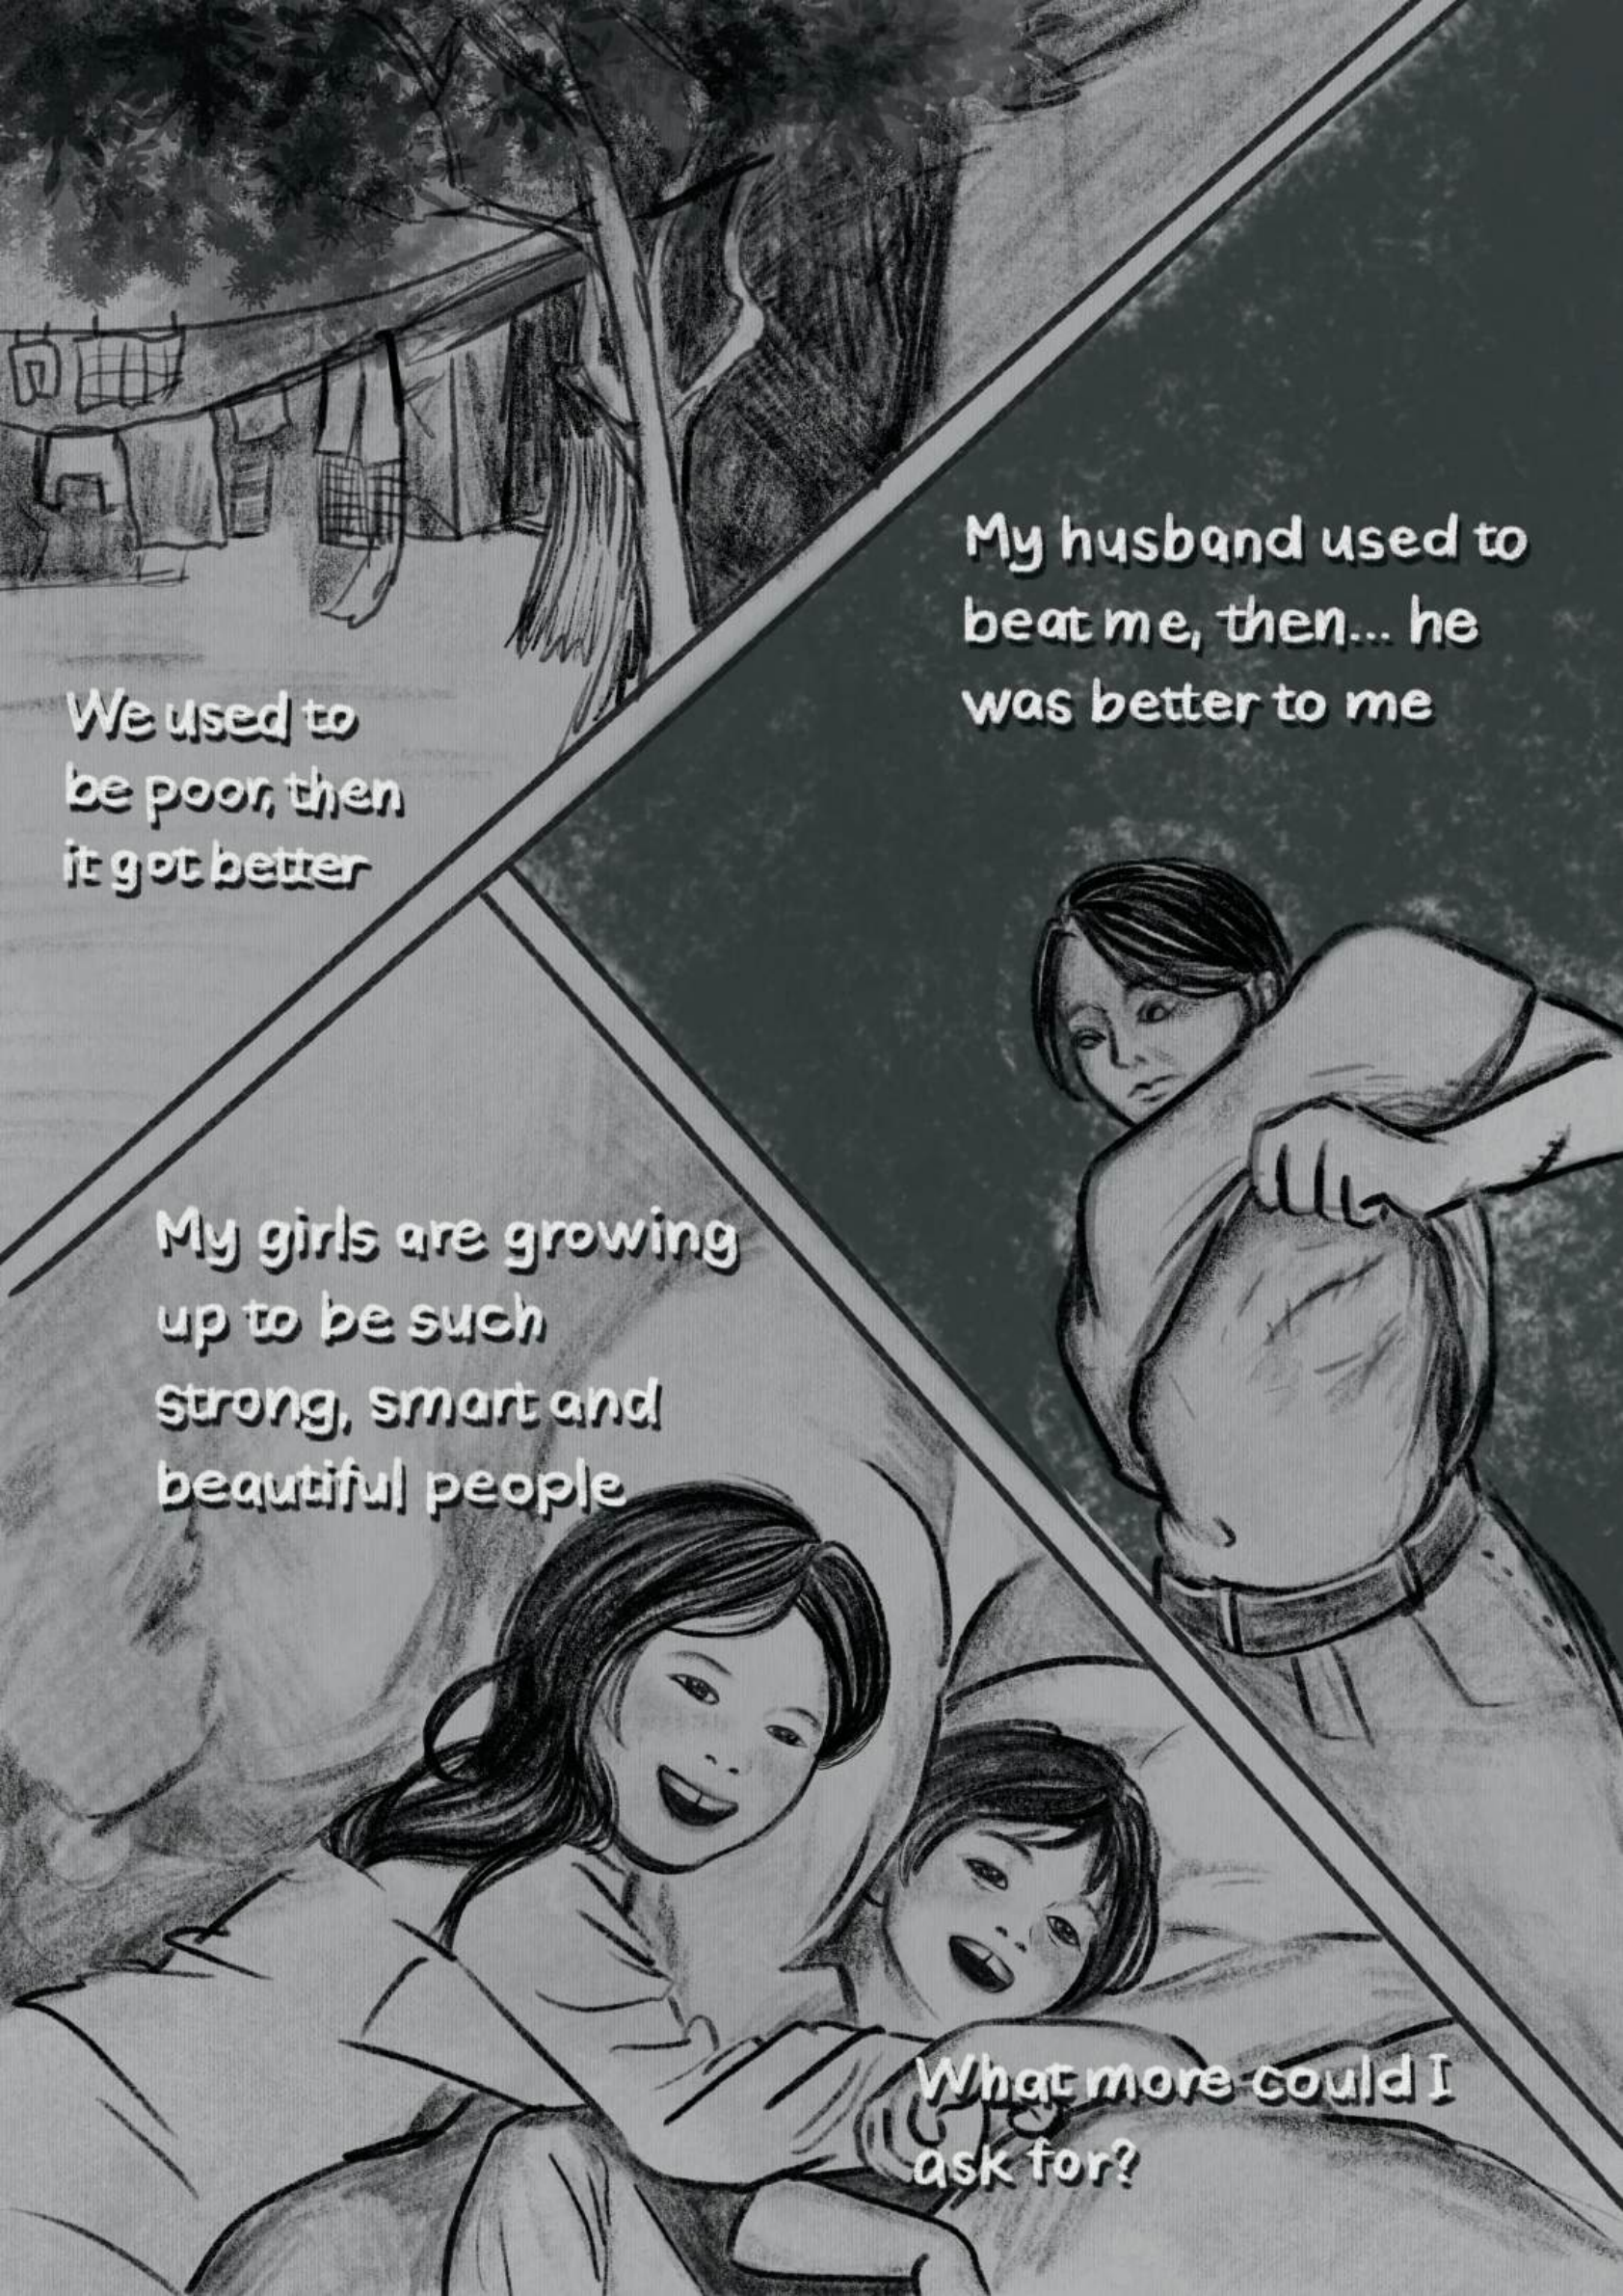

I have two
amazing
daughters

I feel so lucky to be
able to bring them
into this world

My life feels like
such a blur... I
mean it wasn't
terrible, really-

We used to
be poor, then
it got better

My husband used to
beat me, then... he
was better to me

My girls are growing
up to be such
strong, smart and
beautiful people

What more could I
ask for?

I'm the second oldest daughter-

one of six children in my family

My name is "Can di", pronounced as "Tsan di". It means-

灿女弟

'Bless your brother'

And my three sisters' names are-

兰女弟

Support your brother

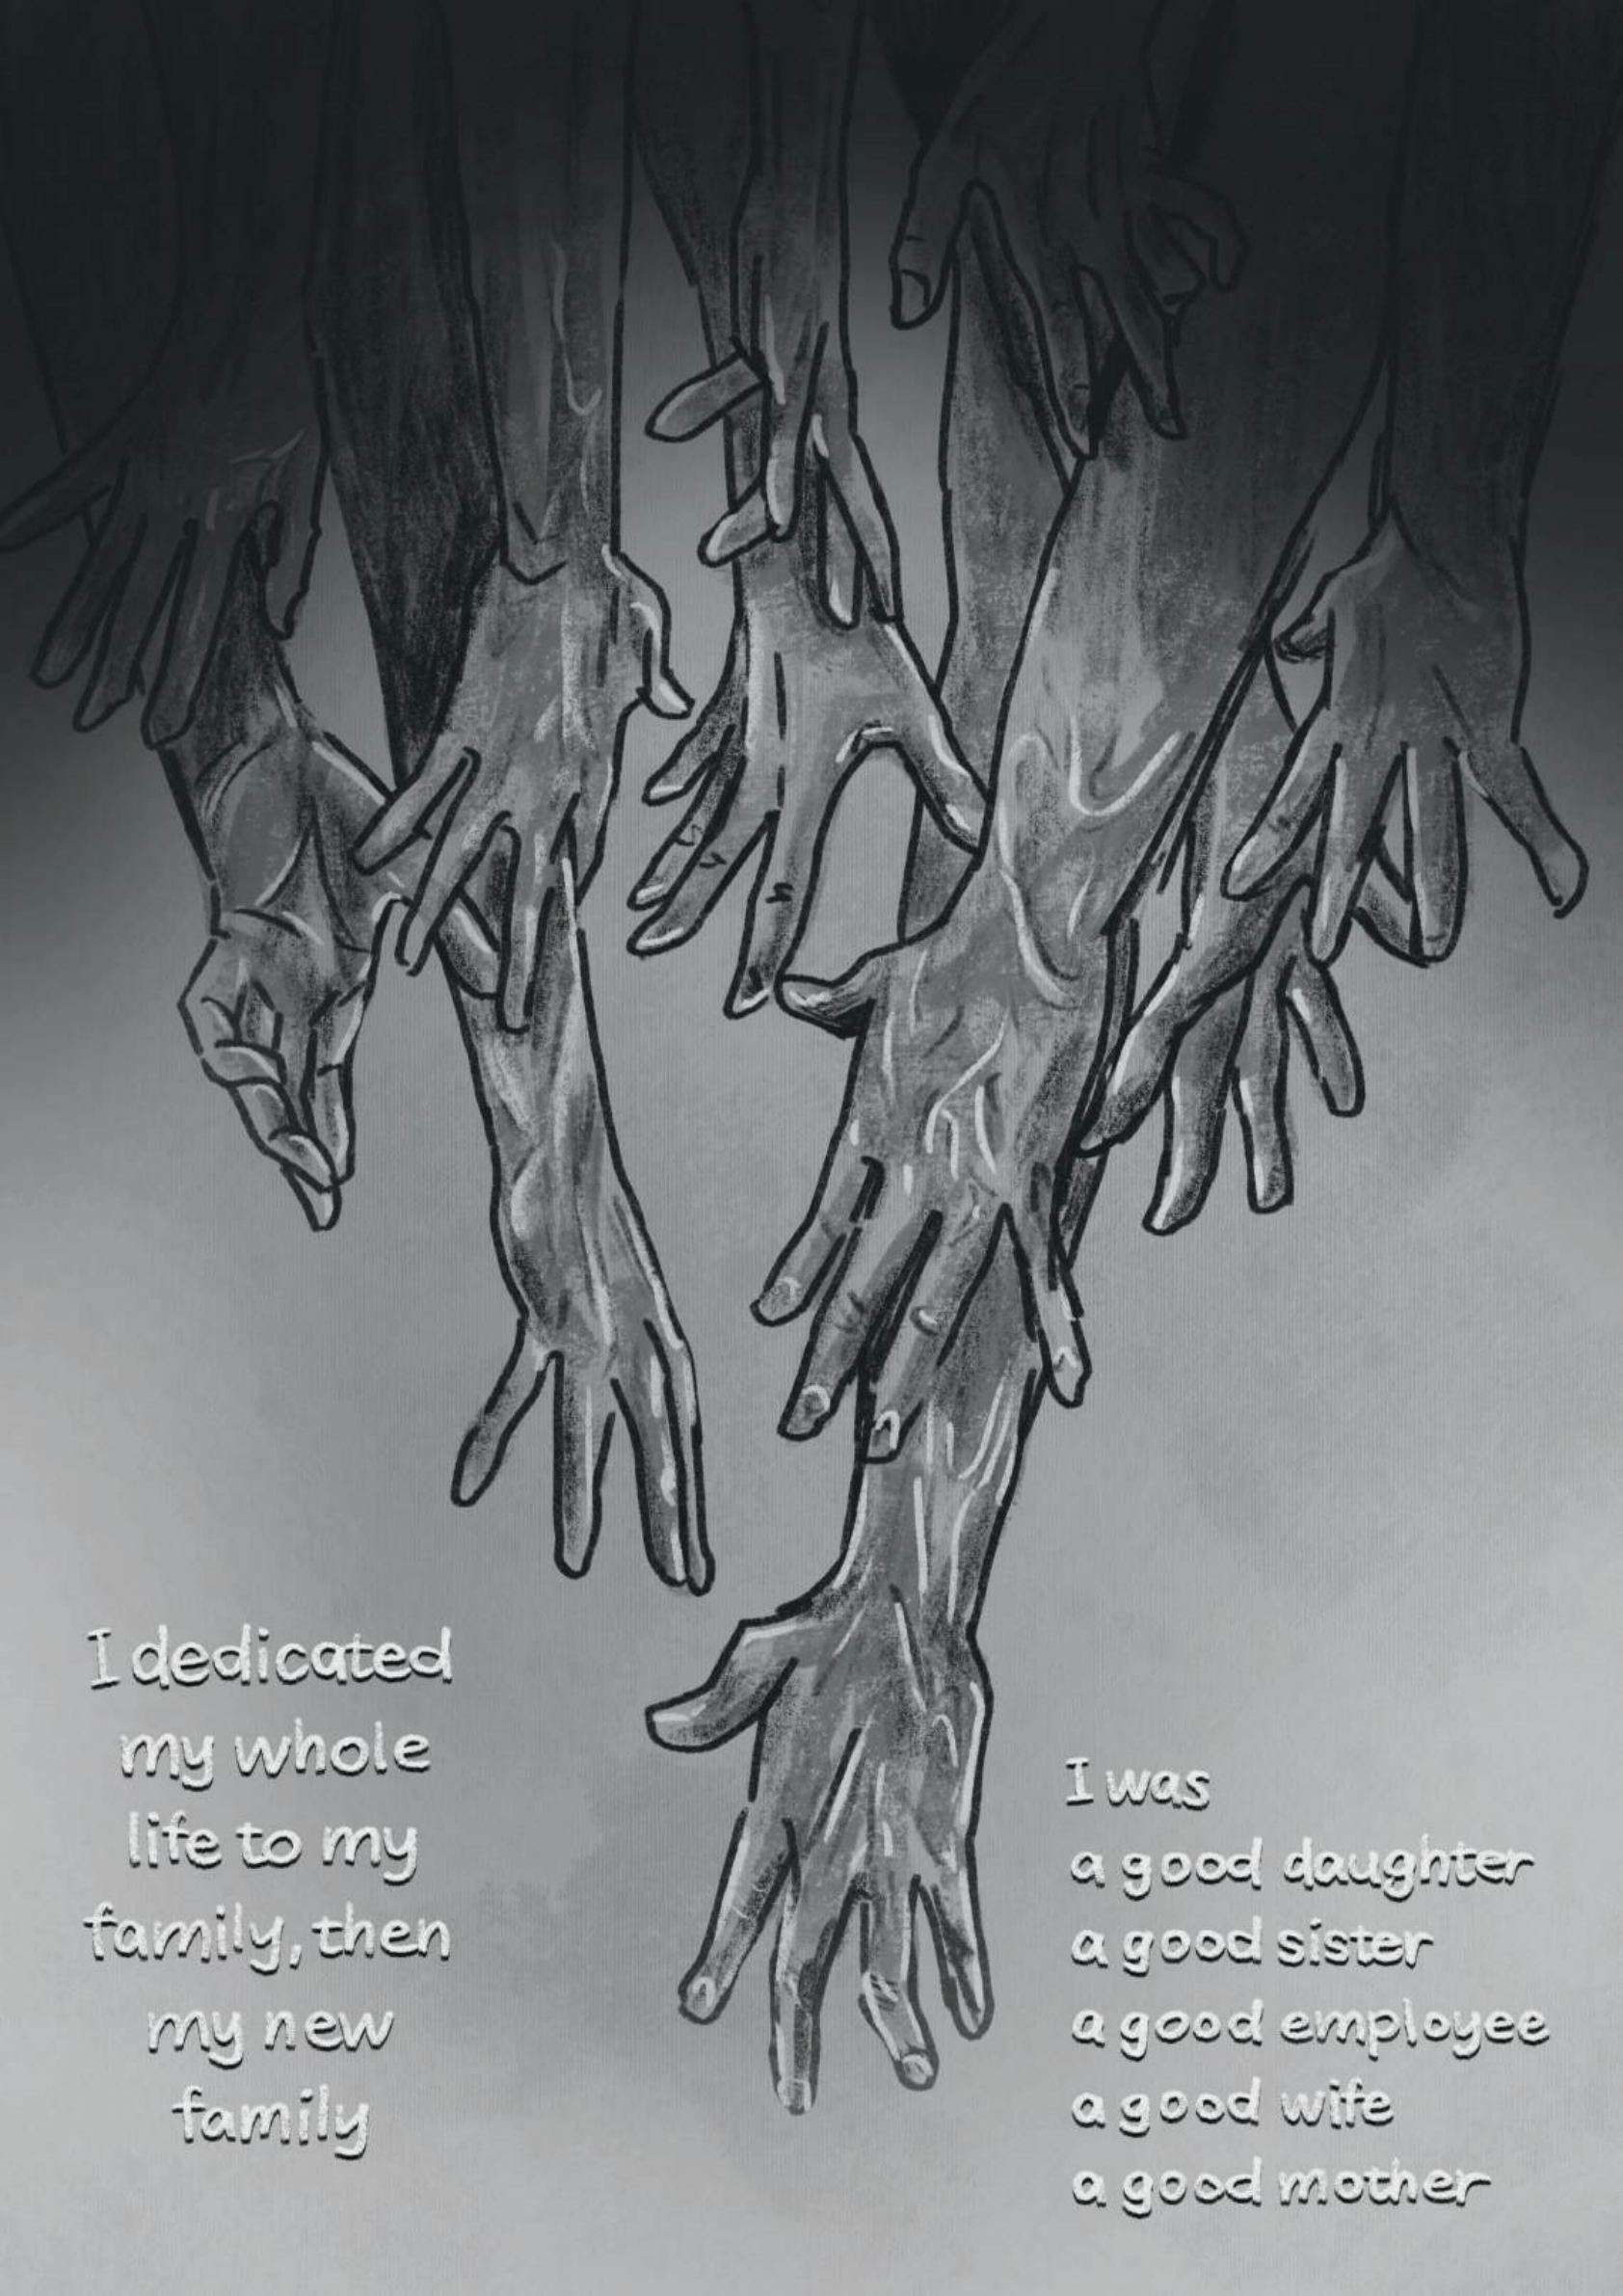

Respect your brother

才女弟

Love your brother 玉女弟

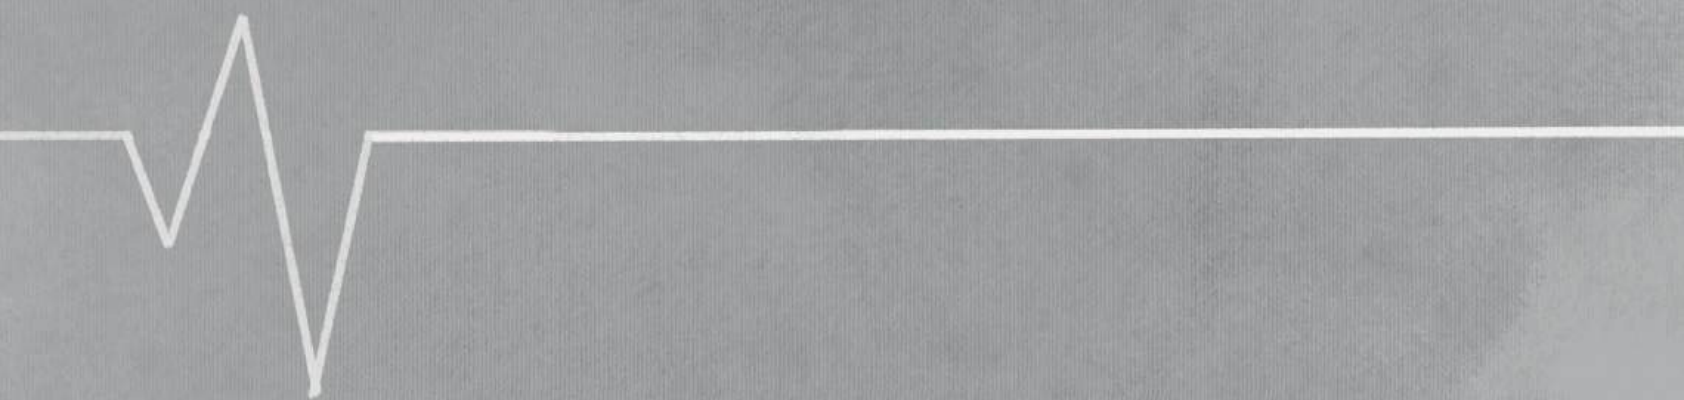

As if we were born to serve someone.

I dedicated
my whole
life to my
family, then
my new
family

I was
a good daughter
a good sister
a good employee
a good wife
a good mother

But

Who am I?
